**O R D E R**

---

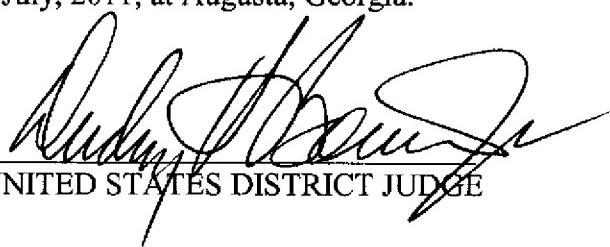

After a careful, *de novo* review of the file, the Court concurs with the Magistrate Judge's Report and Recommendation, to which no objections have been filed. Accordingly, the Report and Recommendation of the Magistrate Judge is **ADOPTED** as the opinion of the Court. Therefore, Petitioner's motion for a subpoena is **DENIED** (doc. no. 2), and Respondent's motion to dismiss Petitioner's motion brought pursuant to 28 U.S.C. § 2255 is **GRANTED** (doc. no. 5).

Further, a federal prisoner must obtain a certificate of appealability ("COA") before appealing the denial of his motion to vacate. This Court "must issue or deny a certificate of appealability when it enters a final order adverse to the applicant." Rule 11(a) to the Rules Governing Section 2255 Proceedings. This Court should grant a COA only if the prisoner makes a "substantial showing of the denial of a constitutional right." 28 U.S.C. § 2253(c)(2). For the reasons set forth in the Report and Recommendation, and in consideration of the

standards enunciated in Slack v. McDaniel, 529 U.S. 473, 482-84 (2000), Petitioner has failed to make the requisite showing. Accordingly, a COA is **DENIED** in this case.<sup>1</sup> Moreover, because there are no non-frivolous issues to raise on appeal, an appeal would not be taken in good faith. Accordingly, Petitioner is not entitled to appeal *in forma pauperis*. See 28 U.S.C. § 1915(a)(3).

Upon the foregoing, the instant § 2255 motion is **DISMISSED**, a final judgment shall be **ENTERED** in favor of Respondent, and this civil action shall be **CLOSED**.

SO ORDERED this 22 day of July, 2011, at Augusta, Georgia.
